

Trust the
Pre-School Experts
to give your child
**the right start,
flying start!**

Right Start, Flying Start!

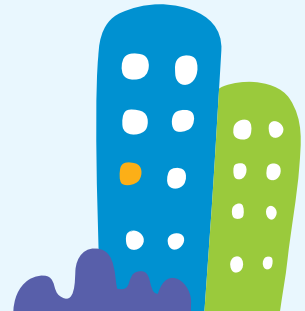

I AM YOUR FRIEND, I AM YOUR BUDDY!

I am so happy that your child is taking the first step in learning and education. And I am eager to take you through EuroKids, India's leading Pre-School network.

So come, let's see what the world of EuroKids has in store for your child. And what makes us the most preferred Pre-School by parents. Can't wait to explore with you.

#RightStartFlyingStart

Pre-School is your child's first experience away from you and a huge leap for you as a parent. Hence, we create a safe & nurturing environment, along with innovative games and interactive technologies to make learning a lot more fun.

EuroKids Pre-Schools 'Child First' ideology ensures that growth and engagement needs of your child are met in a holistic learning environment. Child safety focus and ensuring active engagement with parents during these crucial developmental years of the child is what makes EuroKids, a child's Second Home.

Our programs:

PlayGroup
1.8 to 3 years

Nursery
3 to 4 years

EuroJunior
4 to 5 years

EuroSenior
5 to 6 years

EUNOIA

THE MINDFUL CURRICULUM

Eunoia' is inspired from our Child First ideology where the innocent and beautiful mind of a child is the origin of everything we do. This Mindful curriculum is based on the wholesome synergy of the mind, body and soul. The activities thus, are designed to nurture your child from the inside, keeping them joyous and healthy. With Eunoia, your child gets to explore the world around with the help of Innovative learning methods, which creates an environment that aids development in early years.

EUPHONICS

This language program provides a strong vocabulary foundation using letters and sounds of the alphabet.

MathLab

Understanding mathematical concepts with hands-on activities, concrete objects and repeated experience is the objective of this program.

SCIENTIFIC SPARK

This program focuses on understanding the scientific world based on observation, investigation, prediction, evidence and reasoning.

EUROFIT

A fitness program designed by certified trainers to develop your child's motor skills, muscle strength, mind to muscle connection, a strong athletic base and love for fitness.

YOGAKIDS

We introduce yoga to help your kids use their body in a healthy way, through breathing, meditation, awareness and healthy movements.

EUROMUSIC

This unique outcome-based music program includes picture books, music videos and fun activities to help children develop and practice skills for social and emotional development, language and literacy.

MINDFUL+

This program aims to help children become self-aware while focusing on the present and helps them manage emotions, develop self-regulation and improve concentration.

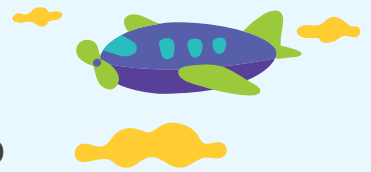

GIVE YOUR CHILD THE RIGHT START, FLYING START FROM THE COMFORT OF YOUR HOME!

EuroKids presents Virtual Pre-Schooling
on the HomeBuddy App.

90% of brain development takes place between 0 to 6 years. Children develop cognitive, motor, social, emotional, language skills and more during these formative years. That's why it is crucial to ensure #UninterruptedLearning.

To ensure your child experiences pre-school at home, we introduced the HomeBuddy App. This scientifically designed app comprises interactive, engaging activities and sessions that contribute to your child's holistic development. It helps your child to achieve developmental milestones with a personalised approach to suit your child and flexibility to suit your family's schedule, all from the safety of your home.

Key Features of the HomeBuddy App

- ★ **Fun and Interactive Live Sessions** build excitement, keep children engrossed and connects them to their peers and teachers to encourage social development
- ★ **Fun Zone Activities** boost learning in a fun manner and help beat lockdown blues
- ★ **Age-Appropriate Workbooks & Sensory Books** help develop language & math skills necessary for school readiness
- ★ **App Integrated Hands-on Activity Kits** like Happiness Kit, Readiness Kit, Theme Kit, and Takeaway DIY Kits comprise fun activities to engage children and ensure #UninterruptedLearning
- ★ **Our Exclusive Curriculum EUNOIA** is integrated with HomeBuddy. It introduces your child to new concepts and focusses on age-appropriate skill development
- ★ **Advanced Teacher Connectivity** ensures your child's teacher is just a phone call or email away. This makes tracking your child's progress, easier
- ★ **Continued Brain Development** through HomeBuddy ensures children meet crucial developmental milestones and build lifeskills
- ★ **Active Parent Participation** ensures parents have access to course materials and witness their children's development in personal
